About the release:

After his success with his EP's 'TeleCommander', 'Diving', 'Rise and Fall' and 'Nothing Ventured-Nothing Gained', Mike Turrento releases another explosive set of tracks on elmart records. This time he produced two hard stomping Techno tracks which are absolutely bursting. 'RadOn86' is characterized by bold rides and melodic synths. 'Kalium40' takes you on a journey with its deep bassline and its psychedelic synth.
