About the release:

Pasquale Maassen again on elmart records [ELMA015]. This time four Austrian artists did remixes of his 'Renamed I EP' released on elmart in March 2011. The first remix is contributed by artist Mind Games who started Djing around 1997 and produce mostly electronic Jazz and Break Beats sounds. The second remix is produced by Michael Ganero and his brother Gaetano Verdi. They started their work a few years ago and established their record label Oktant records. The third remix is by media freak Martin Kremser, who delivers a straight Minimal remix. Elmart artist Mike Turrento did the fourth remix of Pasquale Maassen's second track 'Rebirth'. He contributes a hard stomping Techno track, which is absolutely bursting.
