About the release:

[ELMA017] is hosted by DJ and producer Roland Wiesinger. After his success last season, he continues with another strain release on elmart records. His three track EP will be released on 27th of September. Roland's first track 'Perceptible Emotion' is a dark Techno track which is characterized by a driving synth. His track 'Change' convinces through the characteristic Wiesinger composition and spheric build-up. In contrast the third track 'Symbiosis' is a very mystical track.
