About the release:

[ELMA021] is hosted by elmart DJ and producer Roland Wiesinger. After his success with his releases last season, he continues with another strain single on elmart records. His new single will be released on 3rd of April 2012. Roland's original track 'Agitation' is a dark and bouncing Techno track which is characterized by a driving synth. German DJ and producer Andreas Florin and Austrian DJ Robert Stahl did two great remixes. Robert's remix is Minimal oriented, whereas Andreas's remix is delivering hard grooves.
