About the release:

elmart Records proudly presents their first 'elmart Wave Collection' [ELMA039]. On this compilation you can catch 10 Techno Bangers from artists around the globe. We kick off this selection with a track called 'Moonwalker' created by Vegim (Hauptbahnhof, Mekanism Nachstrom Schallplatten) and we close the collection with a great weird track of Stockhammer (elmart, Real Tribe Rec) – 'I'm A Freak'. Other artists are the Austrian guys DavidChristoph (Freitag, Crunch Control), Balkonkind (Herzschlag, Hell Beat), Errol Dix (Adult Rec, Jackstar Rec) or elmart artist Mike Turrento with 'Breathe'. Beside these national acts Italian guy Dario Sorano (Elektrax, Capsula, Shout Rec) strikes after his success with his remix for Robert Stahl back on elmart, equally as dutch producer Tachini (Darknet, Gastspiel Rec, Naked Lunch) after his remix for Turrento's 'Holo Deck' and Sceptical C (Alexander Kvitta Rec, Gobsmacked) after the 'Grow Horn' remix. Last but not least we also have a new Dj & producer duo on elmart – Dimitri Motofunk & George Libe (Hybrid Confusion, DSR Digital) from Greece. Check and enjoy this selection.
