About the release:

[ELMA040] is hosted by the legendary Space Djz. There are few Djz and producers in the modern techno world who can truly claim to have pioneered a style and sound and call it their own. Such statements are often declared but rarely justified. In the case of Ben Long and Jamie Bissmire, the names behind the revered Space DJz this claim would be unarguable.

Their new single will be released on 17th of December 2013. Beside the Original track there are great remixes included. First of all the Austrian shootingstars A-Brothers. This dynamic duo stands for breath-taking techno-productions and live-shows. The second remix is created by UK DJ & Producer Tom Laws, who already released on great labels like Driving Forces, Phobiq or Respekt. Last but not least elmart duo Alex Lemar & Mike Turrento round up this package with a hard driving remake of the track. Get your legal copy!!
