About the release:

[ELMA041] is hosted by Bunk3r R3cords owner Twist3d. After his success with his releases on labels like Naked Lunch, Sound Lab or Hybrid Confusion, he continues with another great EP on elmart records. His new EP called 'Submerged' will be released on 1st of January 2014. DJ and producer Ronan Teague is after his great remix for Mike Turrento's track 'Holo Deck' back on elmart with another banging remix for the second track of the EP called 'Shadow Factory'. Elmart producer Stockhammer created a hard driving remix of the main track – Submerged.
