About the release:

After a couple of remixes elmart Dj's and Producer's Alex Lemar & Tom Barkley release their first Single called 'Lembak01' on elmart which will be released on 18th of February 2014.

Beside the original version we celebrate the comeback of four well known Techno artists who already delivered us tracks and remixes in the past.

First of all We Call It Hard Records owner Andreas Florin who did a great oldschool synthie remix, followed by our italian friend Dario Sorano who was involved in our first 'elmart Wave Collection' with his track 'Recovery' and with his remix for our Volt & Vintage release 2013.

Also Mark Greene strikes back with a massive hard banging remake and last but not least austrian DJ & Producer Balkonkind round up this package with his 'Steyrerblut' Remix.
