ISRC: AT-E77-14-10157

## **About the release:**

elmart Records proudly presents their second 'elmart Wave Collection' [ELMA043]. On this compilation you can catch 8 Techno Bangers from artists around the globe. We kick off this selection with a track called 'Inside' created by Hubert (DSR Digital, Capsula Digital) and we close the collection with a great weird track of our good friend Pasquale Maassen (elmart, Graviton Audio) – 'Planet C'. Other artists are the Austrian guy Braunton (Oktant Rec, Schubfaktor), Gene Karz (Naked Lunch, Italo Business), Primal Beat (Hauptbahnhof Musik, Gobsmailed), C-System (Naked Lunch, Switch Off Rec), Raftek (Elektrax, Bass Assault) and last but not least Zombie In Progress strikes back on elmart after his great remix for one of our latest releases. Check and enjoy this selection.
