About the release:

elmart records proudly presents the comeback of Diarmaid O Meara & Millhouse with an amazing EP called 'Rocking Dynamo EP'. After his hard banging remix for the 'Evolution Remix EP' 2009 he celebrates his comeback in collaboration with another well known elmart artist - Millhouse. Millhouse created a massive remix for our Sync Therapy track 'Methanisor' last year. We are glad to have both artists on elmart again and it is a pleasure to present a huge remix package too. First of all Shout Records and Nightmare Factory Records label owner Electrorites (Naked Lunch, Elektrax). The second version is a cooperation by famous Angel Alanis - owner of Slap Jaxx Music and Maria Goetze. Angel has already released tracks and remixes on well-known labels like Kombination Research, Kne'Deep or Naked Lunch. Even new on elmart is Michael Kruck from Germany (MONOTON:audio, Elektrax, ReWashed LDT) who delivers a straight banging interpretation. Last but not least elmart resident Mike Turrento rounds up this amazing EP with another unique remix. Releasedate will be on 26th of March 2014 on several online stores.
