About the release:

We are proud to announce the first release of the legendary D.A.V.E. The Drummer in cooperation with Marcello Perri on elmart. After releases on Hydraulix, Nightmare Factory Records or Elektrax they strike back with a single release called 'From A Song' which will be released on 3rd of June 2014. Beside the original version there are 3 comebacks and one new artist included. First of all one of our first guest artists strikes back with a hard stomping remix - Mr. Ritzi Lee (DJAX Upbeats, Freitag Limited, Mastertraxx). Furthermore Rewashed LDT label owner Sebastian Groth and TMM Records owner Vegim are back on board. Sebastian was included on Mike Turrento's 'Holo Deck' release 2012 and Vegim kicked off our first 'elmart Wave Collection' last year. Last but not least Forest People (Reload Records, Nachtstrom Schallplatten, Remain Records) makes his debut as remixer on elmart.
