About the release:

We are proud to celebrate the comeback of DavidChristoph on elmart with a banging Single EP called 'Backup'. [ELMA047] After his great track for our first elmart Wave Collection and his remix for Mike Turrento in the past David strikes back again. His new single will be released on 8th of June 2014. Beside the original mix and a remix of elmart resident Alex Lemar we present you two new artists. First The YellowHeads (Driving Forces, Reload Records, Italo Business) and last but not least Anthony Hypster (TK Records, Naked Lunch). Make sure to check this summer weapon!!
