About the release:

[ELMA048] is hosted by DJ, producer and Naughty Pills label owner Peat Noise. After his success with his remixes on elmart last season, he continues with another strain single on elmart records. His new single will be released on 12th of August 2014. Peat's original track 'Innocent Slap' is a modern and bouncing Techno track which is characterized by a hard banging bassline. Martyn Hare and elmart member Stockhammer did two great remixes. Make sure to check this summer weapons!!
