### Description:

For his new single, artist and cofounder of “HouseArt”, Joaquin Phunk, teamed up with Hip Hop MC Notty Ned, who is an artist of “Kingsta Music”. Recently, Joaquin Phunk remixed “I kissed a girl” and did projects with producers from Poland. Daniel Heatcliff is artist and cofounder of the Austrian Trance label “Navida Music”. He has a lot of experience in the field of Trance and House music and has been producing music with his father since his early youth. The original mix of “Psychologic Superstars” is characterized by piano chords and House beats. The mix with Daniel Heatcliff stands out due to heavy rock elements and Break beats.
